###### 11.1.

Reseller reserves the right to change or supplement the EULA at any time, if and insofar the amendment is necessary because of (changing) laws and regulations or if it concerns a change of minor importance or in the situation that Marketphase implements a change which must be implemented. In these events, End User is not entitled to terminate the EULA. In all other respects, variations to the EULA shall only be effective if it has been agreed in writing and signed by both Parties.

###### 11.2.

If any provision, or part of a provision, of the EULA is found by any court or authority of competent jurisdiction to be illegal, invalid or otherwise unenforceable, that provision or part-provision shall be deemed not to form part of the EULA, and the legality, validity or enforceability of the remainder of the provisions of the EULA shall not be affected, unless otherwise required by operation of applicable law.

The Parties shall use all reasonable endeavours to agree within a reasonable time upon any lawful and reasonable variations to the EULA which may be necessary in order to achieve, to the greatest extent possible, the same commercial effect as would have been achieved by the provision, or part-provision, in question.
